The Thorntonite 1951

The students of Thornton Township High School present with pride the thirty-sixth edition of their yearbook. Although it was put together in much the same fashion as the first edition—the notes, the photographer, the printer's deadline—a student of 1915 would hardly recognize the latest book, recording the year 1950-51. The THORNTONITE made its first appearance with only thirty-two pages. the years, as the school has grown, the yearbook Down thru pace with it proportionately. Naturally, as has kept edition there are 256 pages, it has meant in this more work for everyone-more pictures to be taken, more ads to be solicited, more copy to be written. 1951 . . . was a year in which suede shoes, corduroys, and levis increased their popularity, and more important, a year when our armed forces were increased in Korea and other far-away places.

Even though our minds were troubled with the affairs of the day, we went through our regular routines, living each day as it came. As in the years past, we congregated each morning near the Lincoln statue, in the KIP office, and in

the Boys Club office to discuss our teachers, dates, and homework. At the

respective homerooms to begin another day.

In some ways, this year was no different from years past. Yet in others, it was distinctly 1951. We had a new superintendent, Mr. Birkhead, to guide us. Citizenship cards were done away with.

Eighth period was more difficult to get off, the PA system was no longer used for the morning announcements, and interviews had the "new" look.

We found among us new leaders to replace the old and we elected them to a variety of offices, small and large. Rene Wernicke became the senior class president as well as president of the National Honor Society. Dick Evans was elected to head Dave Olfe to preside over the Purple A, and Leroy the KIP was made honorary captain of the football team. Bob CooperB entz and Jim Reichert were co-captains of the basketball squad. Pat Podgorny, captain of the cheerleaders, boosted our morale when the situation looked dark for the teams and cheered us on to victory when we were the winners. Ken Groeneveld and Carole McCarthy headed the Boys Clubs. Somehow those leaders of a year ago were capably replaced and the need for new leaders fulfilled.

We came to school the SAMAC ways—the walkers walked the same streets, the bicycle crowd put their bikes in the same racks, and the buses were still crowded . . . We came from varying distances—some of us spent

quite a while traveling to get to school, like Ronnie

Spiegel, who came from Oak Lawn,
while others were more fortunate, like
Betty Corson, who came from just
around the corner.

for a variety of futures in a very personal fashion, we made use of all the facilities provided for us. In the Business department we learned to follow regular office procedure. In Salesmanship we prepared a sales display on which to practice the principles of selling as they had been taught to us. We built strong bodies with the expensive gymnasium equipment at our disposal. In Auto Mechanics we worked on actual cars. We cooked and sewed in Home Ec and produced plays in Dramatics. In Journalism we got a taste of newspaper publishing and discovered the difficulties of assembling a yearbook. We made our own pottery in Art class with the use of the kiln. The important thing was, however, that no matter what the class, we learned by doing. We proved time and time again that "experience is the best teacher."

became acquainted and built

When we first came back to school, we stuck close to our friends of last year. But as the days and weeks went by and we worked on different projects and attended various social affairs, we made new acquaintances and built sound new friendships. Not that we forgot our old friends—on the contrary, these friendship ties often became even stronger—but we enlarged our circle of friends and in doing so we found ourselves really enjoying our school life.

Not only did we build new friendships among the students, but we became acquainted with new teachers as well. Still others we became acquainted with as we participated in activities which they were upervising. At times we didn't quite see eye-to-eye with the faculty, but our differences were usually quite trivial and in the end they were straightened out, to the satisfaction of both parties

The activities that Thornton offered to each student were traditional. We found our individual tastes mirrored in a variety of clubs and we expressed ourselves while working on committees, publications, and in choral groups. We met others interested in the same subjects and we developed friendships to be treasured for years. Some of us had chances to become leaders, but we all learned qualities such as good sportsmanship and fair play. And, of course, there were the traditional teas and banquets at which we honored our parents and teachers.

Girls receive Torch pins for their work on the various committees, such as the one pertaining to welfare. This group makes trips to the Home for Incurables and gifts for the Oak Forest Infirmary and a small Tennessee school, which the girls have adopted. Members also receive torch pins for their work on the Refreshment Crew, which sells refreshments at the football games

The club took part this year in other money making projects, including the Boys and Girls Club play, 'Mother Is a Freshman," and the annual magazine drive, sponsored by the Curtis Publishing Company

Girls who earned straight A's on their report cards were honored first at the Scholarship assembly, where they were presented with scholarship pins, and then at the tea. Lorraine Jennings, having earned seven semesters of A's, had her name engraved on the Scholarship pitcher

From the very beginning when the Girls Club was organized in 1933, to this very day, it has endeavored to enrich the lives of the girls at Thornton. They learned to live the Girls Club pledge of being joyous, courageous, steadfast, truthful, dependable, just, loyal, and sincere in friendship. The Girls Club is truly a club of and for all Thornton girls

"Mother Is A Freshman"

Presented by the Boys and Girls Clubs

On November 17 and 18 the Boys and Girls Clubs presented "Mother Is a Freshman", a hilanous comedy about one Abiquil Fortitude Abbott (Karen Hellstrom) who goes to Pointer College on a scholarship. Difficulty arises when her daughter, Susan (Mary Church till), learns that her mother is to be a freshman at the same school where she is to be a sophomore

Dean Gillingham (Harlen Brown) is positive 'Abigail is entering the college for illegitimate reas. Professor Michaels (Bob Helfrich) falls in love with and prevents her from being expelled. When Susan learns that her mother is to marry Professor Michaels, she declares that she loves Bobo (Bob Kinsella)

A unanimous sigh of relief was uttered by the members of the cast as the curtain fell on the second performance. There was relief from the weeks of study, tryouts, memorizing, rehearsals, and planning on the part of the cast and their director, Miss Collette Hurley

The cast weren't the only ones whose worries were over at curtain fail. There were those who worked for hours on the various committees preparing scenery, light changes, costumes, properties, make-up, and publicity. Then there were ushers, advisers, business managers, and committee chairmen

Yes, it was work, but it was fun, too, and everyone thought the play was well worth it

Althletics

With the \$1,350,000 gymnasium in use for the first full year, athletics took a step forward. At the beginning of the year, a pep rally was held for the whole school. Formerly, the traditional rallies were held on the football field or were given to each class separately in the auditorium. This year the Wildcats successfully used a new football field. The Flying Clouds were cheered on to victories in the huge gymnasium and in March the regionals were held at Thornton. The new gym became a Thornton tradition.

The human element of Thornton, the people who make our school the fine institution it is, carried on as they and their predecessors have done for fifty-two years. The administration supervised the daily activities. The faculty taught us more than "book-larnin" and by June we felt better prepared to face the world. Working efficiently, the staffs kept things moving smoothly and swiftly, but for the seniors, the year went all too hastily. Much was accomplished, however, and dreams became realities, thanks to the people of Thornton.

Board of Education

Formulating financial and educational policies for T. T. H. S. has kept the Board of Education busy not only at its monthly meetings but in between times, too

Sponsoring a dinner for the faculty members of T. T. H. S. and T. J. C. was an important good-will accomplishment of the Board this year. Their honor guest was Dr Maddox, who is completing his twenty-fifth year at Thornton. Other faculty members who have served more than twenty-five years were special guests

Mr. George Gibson and Mr. Walter Haines retired this spring from the Board after many years of faithful service. Mr George H. Meyer and Dr. Clarence Simon were elected to fill their places

Mr. Gibson, president, served on the Board for thirty-nine years. He is a retired

business man, formerly the president of the Chicago Steel Car Company

Mr. A H. McDougail, a salesman engineer, has been a member of the Board for thirty-eight years. He is now with the firm Manning, Maxwell, and Moore, Incorporated

Mr. Waiter Haines, Thornton Township tax collector, has completed twelve years of service on the Board He is a resident of Harvey

Mr Edwin R Waterman has given his services to the Board for ten years. He is a tarmer and banker in South Holland, where he resides

Mr William B Kane, an attorney, has served one year as a member of the Board He is a graduate of Thornton Township High col and Junior College

Hedrertising

As in former years, the men and women who manage the shops and stores in our towns advertised in the newspaper and yearbook. They recognized the value derived from placing ads in Thornton's two publications and the value of friendly relations that developed between Thornton students and merchants. If ithout their monetary aid, the Thorntonite would not have been possible—willingly they paid the higher prices because costs had risen during our country's crisis and because advertising had become a more valuable source of revenue than ever before.

PURPLE X DANCES

Listen, my children, and you shall hear Of a world-shaking day in a far-away year, Twas in nineteen hundred and thirty-seven, When the thought of going straight to heaven Right after the basketball games and such Seemed to please Thornton students much. For as soon as the final whistle blew And they wanted something else to do. They'd dash to the street, and with absolute scorn. (Ignoring each motorist's shrill-blasting horn) Would snake-dance through town, all hands clasped tight, 4nd often continue far into the night. However, their imminent heav'n-ward ascension Was luckily stopped by the quick intervention Of the deans and the students and P.T.A. too, Who met to decide just what Thornton should do. 1nd out of these meetings came Thornton's big chance-The idea of having a Purple X Dance. Though fourteen long years have gone by since that day. Purple X is still here and, we hope, here to stay, So, with just one more line will our poem be done— Our sincerest good wishes to Class 51!

SINCE 1906 OF PRODUCING BLUE RIBBON ANN UALS

"Blue Ribbon" is not merely a trade name or slogan, adopted for advertising purposes. We didn't just pull it out of a hat. Be earned the right to use it! In competition with annuals submitted in State, Sectional, even National contests, since 1906, Huston-Patterson yearbooks have been rated tops — year, after year, after year.

And so, we're proud and determined . . . proud of our past record — determined to make future accomplishments even better.
